City Launches Chest Drive

Council Organizes Campaign To Raise \$1000 for Chest

The Marin City Council adopted a resolution at its meeting last Sunday night to organize the War Chest Drive in Marin City, and set the goal at \$1000.

Petition for council sponsorship of the drive was made by the county chairman, Fred Bagshaw, and George Price, who pointed out that 26 agencies will participate in the Marin War Chest.

Bagshaw added that 38 per cent of the collected funds will be used for agencies in the county.

The drive in Marin City will supplement the Marinship drive where many local residents will contribute.

Included in the council resolution were organizational plans for the drive, setting Norman Campbell and Mrs. W. C. Billingsley as co-chairmen of the local effort.

PLEDGES SIGNED

Pledges from councilmen and visitors at the meeting raised \$175 to begin the campaign here. In addition sub-committees were set up Sunday night.

These workers include Arthur Walenta, Sea Scouts; Milen Dempster, housing offices; Norman Campbell, business houses; Martha Roberts, recreation; Dan Allen, teeners and Medical Center; Mrs. Marie Larson, USO; Mrs. J. R. Kahrt, Girl Scouts; and Mrs. Walter Del Tredici, Catholic Church.

The drive started last Monday and will continue to November 11.

Quota for the county is \$106,000, which is to be divided into international and home relief. Of this amount, \$1000 has been set aside for Marin City welfare.

LEAVE GRANTED

Councilman Jess Berry was given leave of absence until the end of his term. Berry requested the time off because he is working long hour overtime at the yard now.

A letter from the Federal Public Housing Authority in response to Marin City's inquiry about improvements here to justify the rent increase was read.

In part the letter said: "In connection with the list of suggestions offered by your Council to improve occupancy conditions in Marin City, this office has recently advised the Housing Authority of the County of Marin to prepare supplemental operating budgets in order that funds may be made available to cover the cost of certain operating improvements. Funds covering installations of a capital nature have not yet been approved, although it is hoped that clearance may be obtained at an early date."

Council took the letter under advisement, and will take action at its next meeting.

Vandals Clip Rope Of Clothes Lines And Child's Swing

Residents of Sector 5, behind the Community Building, discovered all their clothes lines nearly clipped in two when they went to hang up clothes Sunday morning.

The vandals had also clipped the ropes of several children's swings in the neighborhood.

This is the second time the same damage has been done, reports Neighborhood Correspondent Elsie Foppe.

Save Paper Now For Town Salvage Collection Oct. 22

Marin City's next regular salvage paper pick-up will be Sunday, October 22.

The city-wide drive will start at 9 a.m., so residents are urged to have their collections out on the edge of the main roads early.

Also requested is firm tying of the bundles of magazines and newspapers to facilitate quick coverage of the town.

"We have made a fine record with our other paper collections in Marin City. We hope this Sunday's collection will top them all for the nation's paper salvage drive," said Mrs. Earl James, Salvage chairman.

Editor San Jule Leaves Marin Citizen

James San Jule, editor of The Marin Citizen since its inception in July, 1943, this week left the paper to take over another job.

San Jule, who has been in newspaper and public relations work for some time, left The Citizen to manage the Democratic Party campaign in Marin County. He is secretary of the Marin County Democratic Central Committee.

Taking San Jule's place as editor of The Citizen is Dorothy Smith, who for the past 12 months has served as city editor of the paper.

Tents and Trailers Only Answer Given For Housing

Tents and trailers are the only answer to the housing problem of hundreds of new recruits pouring into this area to work at Marinship, according to statements this week from shipyard and local housing authority officials.

"We've asked for more housing from the Marin County Housing Authority, the Maritime Commission, FHA and FPHA and so far we've gotten 50 tents and about 40 trailers," said Robert Diggs, yard administrative manager.

The tents to which Diggs refers are the super deluxe models up now at the Marin City Dormitories, part of the tenting program for which the Maritime Commission has allotted \$10,000. The canvas dwelling erected there in the past few weeks have wooden floors, doors, lockers, and are to be water-proofed.

Diggs also said there is a possibility of buying a few barracks from the U. S. Army Engineers and re-erecting them at the Dormitories.

Merrit Webster, assistant Marin housing director, declared

Second Press Club Frolic This Sunday Night Brings Dancing, Jive and Prizes For Everyone

Fatal Injury Shows Need For Local Call

In case of emergency always contact the Medical Center immediately. It is the fastest aid which can be summoned locally, this week stressed Dr. John Colbert, medical director.

The need for an immediate call to the Center was pointed out recently when an ice truck driver was fatally injured. He lay on the hill 25 minutes without first aid treatment because some one had called an ambulance from San Rafael and had neglected to call the Marin City Medical Center.

When, after 20 minutes the ambulance had not arrived, one person did call the Center, and a doctor and nurse were there in five minutes to administer first aid.

The daytime number is Sausalito 886. After office hours the number is 1220.

Home Teacher For Handicapped Children Is Here

Miss Eudora Sylvester, teacher for the physically handicapped, will start instruction in the homes next week, according to an announcement by Superintendent Clifton Boyle.

Parents of children who are physically incapacitated and who seek the services of a home teacher should contact Superintendent Boyle at the school immediately.

He may be reached by calling Sausalito 215 or 1260.

Affair Will Benefit Flight Nurse's Quarters At Hamilton Field

Next Sunday night, October 15, is the date for Marin City's second gay Press Club Frolic — complete with a hot San Francisco band, jitterbug contest, door prizes, hot dogs and soft drinks. Everyone in town is invited to come and share in the fun.

The affair is sponsored by the editorial committee of the Marin City Council and The Marin Citizen staff, at the Community House. Proceeds from this week's dance will benefit the flight nurses' quarters at Hamilton Field.

These nurses are part of the Army Transport Corps which flies the wounded in from the South Pacific. Money raised at Sunday night's dance will furnish living quarters for them at the field.

Highlighting the middle of the affair will be a jitterbug contest, with entrants from the audience. There will be two cash prizes awarded to the winner and runner-up.

Two \$5 merchandise door prizes, contributed by R. Monson of the local drug store, will be awarded during the night.

Dancing starts promptly at 8:30 p.m., and dance enthusiasts are urged to come early and enjoy a full evening.

Admission is the usual price of \$1, with servicemen admitted for 75 cents.

Serving as chairman of the dance is Mrs. Dale Dinsmore, with W. C. Billingsley as co-chairman.

Other volunteer workers are Walter Del Tredici, Mrs. W. C. Billingsley, Jess Draper, Norman Campbell, Dorothy Smith, Mr. and Mrs. Dan Allen, Miss Olga Phillipson, Mrs. Esther White, Mrs. Walter Del Tredici and Mrs. Esther Lielgren.

Child Care Center Complimented by State Supervisor

Marin City's Child Care received a pat on the back from a recent visitor, Mrs. Clara P. Snyder, supervisor in the State Department of Education.

"It is a good place for children, and I can think of no better criteria for judging a program," wrote Mrs. Snyder after her visit here.

In her letter to Superintendent Clifton Boyle, Mrs. Snyder complimented the center staff saying: "Your staff has made excellent use of space and equipment."

Cadet Casualty

Cadet William Bernhart Asunma was reported killed in an airplane accident at Pensacola, Florida, August 19. He would have received his wings and promotion to Ensign the following week, says his cousin, Mrs. Harold Donovan of Marin City.

Funeral services were held at his home in Lakota, North Dakota.

Measure to Aid Schools Gets Support

Announcement of the formation of committees to work for Proposition 9, appearing on the November ballot, the proposition to give more adequate aid to elementary schools, has been made by Clifton L. Boyle, district superintendent of schools.

The committees will arrange meetings and supply speakers who will speak in favor of this important measure. Groups wishing speakers should contact committee members.

On the committee for the city of Sausalito are Gertrude J. Perry, chairman, Irene Pierce, Helen Beecher and Marie Gardner.

The committee for Marin City is Ruth March and Lilas Troutman, co-chairman; Marie I. Teather, Verle Pugmire and Ruth G. Holchester. Information and literature may be obtained from committee members or at the office of the superintendent.

Time Now To Plan Costumes For Hallowe'en

It's time to plan Hallowe'en costumes for Marin City children, suggests Verne Lindburg who is again in charge of the big annual youngsters' celebration set for Tuesday, October 31.

This year, promises Lindburg, there will be more and better prizes for costume awards to be made after the big parade from the school building to the auditorium.

The program calls for movies, a play, refreshments, and prizes for the hundreds of children who will attend the festivities.

The program will start at 6 p.m., with every local child invited.

"Marin City was the only community in the county which suffered no property damage October 31 of last year. We know that was largely due to the party which the children attended instead of getting into mischief," Lindburg, public affairs chairman, told the council last Sunday.

The affair is sponsored by the Marin City Council and supported by other organizations in the town.

Mrs. Larson On Leave From Our USO-TA Cottage

Mrs. Marie Larson, USO Travelers' Aid director of Marin City, left this week for a month's leave of absence.

Taking her place at the local office is Miss Jean Blackwell, relief director from the National Travelers' Aid office of New York City.

Trojans Take First Defeat Of Season

Last Monday the Marin City Trojans played their first game of the football season with Mill Valley, which in the past week defeated San Rafael, 66 to 0.

The out-weighted Trojans put up a stiff fight and lost 33 to 0.

Players were Eddie Burroughs, Buddie Chaon, Phillip Kaplan, Ralph Price, James Wells and Joe Fairbanks.

After more practice, Marin City Trojans will meet the Mill Valley team again on October 25.

Trojan Coach George Price, has great hopes for the season and says the team is improving rapidly.

Marin City has two grammar school teams this year, one over and the other under 100 pounds.

Boys wishing to join either

Sgt. James on Way Home From Italian Front

Sergeant William K. James, son of Mr. and Mrs. Earl James, is coming home on furlough from the Fifth Army front in Italy after more than 28 months service overseas.

James, a first cook with the 34th "Red Bull" Infantry Division, was with the first selective service group to join the 34th. He went to England and Ireland and took part in all his unit's major actions in Africa and Italy.

He was at the crossings of the Volturno River, Cassino, the Anzio beachhead, and the liberation of Rome and Leghorn. He holds the Combat Infantryman's Badge.

His home town is Willmar, Minnesota.

Duck Season Opens Saturday

Saturday morning, one-half hour before sunrise, October 14, will mark the opening of the season on ducks, geese and mudhens in California.

According to reports the birds are plentiful, but there seems to be a little doubt as to the weather being up to par.

Fifty-five per cent of Marinship's workers live in Marin County, 40 per cent in San Francisco, and five per cent in surrounding counties.

team may sign up by seeing Recreation Director Lois Nelson on the playground any week day between 2 and 2:30 p.m.; George Price at the playground Wednesdays and Fridays between 3 and 5; or Glidden Benfield at the auditorium on Monday, Tuesday, Wednesday and Friday from 6:30 to 9:30.

New Residents Welcomed To Marin City

Four families from Louisiana headed the list of newcomers to Marin City last week. They are Mr. and Mrs. James Miller, 454; Mr. and Mrs. Joseph Tucker, 431; Mrs. Edna Bordelon, 755; and Mr. and Mrs. Henry Miller, 508.

Others arriving here were Mr. and Mrs. Victor Crump from Washington, 461; Mr. and Mrs. Monroe Clay, 517; Mr. and Mrs. Sidney Rightnour from Petaluma, 232; Mr. and Mrs. C. S. Moore from Richmond, 155; Mr. and Mrs. Ira Tyrone from Texas, 70.

Apartment newcomers included Mrs. Rena Hubbard, A10-78; Mr. and Mrs. Theodore Davis, from Texas, B2-552; Mr. and Mrs. Alvin Claiborne from Louisiana, A36-288; Mr. and Mrs. Willie Johnson from Louisiana, A63-504; Mr. and Mrs. Albert Maxey from Oklahoma, A36-285; Mr. and Mrs. E. R. Wojciechowski from Wisconsin, A27-211.

Additional residents are Mrs. Connie LaRogue from Georgia, B3-567; Mr. and Mrs. C. M. Seed from Minnesota, A4-29; Mr. and Mrs. Marion Wright from Iowa, A54-425; Mr. and Mrs. C. O. Winfrey from Oklahoma, A35-278.

Come to the Press Club Frolic this Sunday night.

Church of Christ Schedules Many Meetings Sunday

"The Devil's Home Front" will be the sermon topic for the Church of Christ evangelistic service Sunday at 7:30 p.m. at House 489.

Other events for the Sunday schedule there include Bible School at 10 a.m.; Preaching and communion with the sermon on "Incorruptible Things" at 11 a.m.; Young People's Bible Study at 6:30 p.m.

Prayer Meeting and Bible Study is Friday at 7:30 p.m., and young people's recreation is Saturday at 7 p.m.

Marin's Evaluation Of Current Films

Following is the Marin Motion Picture Council of films currently playing in Marin during the month of October. The council, made up of representatives from PTA, clubs and churches, is headed by Mrs. Louis Carlson, of Ross.

"The Impatient Years," war romance, mature youth; "Meet the People," shipyard musical, mature youth; "Escape to Danger," spy melodrama, mature youth; "Bathing Beauty," aquatic pageant, family; "Merry Monarchs," clean entertainment, family; "Pearl of Death," tense drama, adult.

There were seven major operations performed by CPS during September.

Teener Band 'Gives' At Its First Meeting

The first teener band rehearsal was held last Wednesday evening under direction of "Champ" Nixon from Tiburon.

The practice was held in the community house, sandwiched in between a hot basketball game in one room and a volleyball session in another.

The band added to the cheerful din with enthusiastic musical efforts.

Local players with the new jive orchestra are Mervin Walton, Preston Curry, Garland Collins, Mary Brown and Beryl Knight.

The band meets every Wednesday and Friday from 7 to 9 p.m.

Vitally needed are saxophone players, but other instruments will be welcomed. Apply at the rehearsals.

The young people's band is sponsored by the local Recreation Department.

Scout Meeting

All boys from Scout Troops 32 and 34 who are still interested in Scouting, and all men, who are interested in leadership of the boys, are asked to come to a meeting at the Community House council room on Thursday, October 19.

The meeting starts promptly at 7:30 p.m.

Good Advice to Listen to!

Management Makes Plea For Resident's 'Fix-It' Aid

By MERRITT B. WEBSTER,
Assistant Executive Director.

"My window is broken. My hot water heater is out." "My front door doesn't lock." These and other requests for service come to the Rental Office each week.

Considering that Marin City is temporary war housing built under the war's restrictions, a great many of these requests are justifiable. However, as part of our contribu-

tion to the war effort, we together should do our utmost to help keep things in good operating order. Most of you give that cooperation now. Some of you could reasonably do more, especially in keeping windows from getting broken. Occasionally some resident who has not thought much about it or about the need to save labor for the war effort, tends to impose on us and through us upon the government and the taxpayers generally.

HOUSEHOLD HANDYMAN

We want residents to report needed repairs, but if the request is beyond that which a private landlord would normally take care of, or if the damage is the resident's fault, the resident will be required to pay for the repair. In addition, if the repair is a minor matter, we believe that the resident should naturally take a moment to make the minor repair rather than ask that a maintenance man make a special trip to do it. For example, if a screw is loose in a window catch, please tighten the screw yourself.

After office hours, it is possible to have only one man on duty to maintain the entire project. So after hours, please ask only to have repairs made, which cannot wait until the next morning. You may report these few needs which cannot wait to the Maintenance Office behind and west of the Rental Office, or phone Sausalito 1184. You may have to explain to the Sausalito operator that you want Sausalito 1184 and not some other telephone number assigned to the Housing Authority such as Sausalito 1180 or 1181. The Sausalito operators are in the habit of using the numbers Sausalito 1180 to 1184 interchangeably which is all right in the day time but not after the Housing switchboard is closed at 5:30 p.m.

THE FIX-IT CREW

The size of our maintenance crew is restricted by the budget allowed us by the Federal Public Housing Authority and by the Federal Bureau of the Budget. The crew typically consists of 10 men on garbage collection, two gardeners (with some 3,000 trees to care for), five heating men (including the man on duty at night and the man on Sundays), four carpenters, two painters, two plumbers, three laborers, one truck driver, one mechanic (to keep trucks and other equipment in repair), one electrician, one water-supply and sewage man (we have our own electrical, water and sewage systems), and one key and handyman.

Except for the garbage men and gardeners, this crew also has to work as needed for special maintenance jobs at the four other war housing projects managed by the Marin County Housing Authority.

Women's Day At Marinship Christening

Women whose wartime skill and courage have helped launch 60 ships at Marinship in 25 months, will be honored Saturday, October 14, when the tanker SS Coalinga Hills is christened in an all-woman ceremony.

Special honor will go to Mrs. Roger F. Suffron, who has been for more than two years women's counsellor at the shipyard, employed under her maiden name, Marcia Patterson. She will smash the bottle of champagne across the bow of the 523-foot tanker at the conclusion of ceremonies which will be conducted entirely by women.

The SS Coalinga Hills, which is powered by a speedy 8,250-horsepower turbo-electric motor, is Marinship's sixtieth ship. It is named for the historic Coalinga oilfields located at Coalinga in southwestern Fresno county. This ship is the sixth of a series of the 32 similar tankers being built at Marinship for the U. S. Maritime Commission, named for California petroleum fields, and comprising the "Hills" class.

Matron of honor will be Mrs. Steiner A. Larsen of Los Angeles, friend of the sponsor.

Marcia Patterson has made an outstanding record as counsellor to Marinship's women workers, who comprise about a quarter of the 15,000 employees. She has assisted them in meeting the problems of home and employment which faced them after patriotically volunteering to do "men's work" in the building of the Victory Fleet.

She recently returned from Washington where, at the invitation of General George C. Marshall, she conferred with Colonel Oveta Culp Hobby and other members of a civilian advisory committee regarding problems of women who are members of the Women's Army Corps (WACS). She lives at 1125 Broadway, San Francisco. Her husband is in the United States Army.

Mistress of ceremonies will be Mrs. Florence Blakemore, long-time resident of Belvedere, and launching secretary at Marinship. Invocation will be offered by the Rev. Dr. Idabelle Lewis Main of Mill Valley. Launching narrator will be Kay Daws, resident of Lark-

Letters Sent To 120 City Families

Following up last week's announcement in The Marin Citizen on housing eligibility here, the housing authority this week sent out letters to approximately 120 families affected by the new ruling.

Letters are addressed to those families who apparently have no member of the family presently working for one of the certified industries in this area.

Receivers of the messages are asked to contact the rental office within three days, to discuss their housing problem.

Local Ladies Join Sewing Circle

Mrs. William Woods of Valley Circle Drive, Mill Valley, was hostess to a group of ladies last Friday evening.

The evening was devoted to the organization of a sewing club which will meet twice a month.

Those present were Mrs. R. Cornell, Mrs. C. Page, Mrs. R. Parkin, Mrs. L. Wilson and Mrs. M. Severson and Mrs. L. Hoppe of Marin City.

spur, first woman foreman in any skilled shipyard craft in the United States. She is a welder foreman at Marinship.

Oil was discovered in the Coalinga field in 1898, but the field found its greatest development after 1909 when "The Silvertip" came in as a gusher with 20,000 barrels a day. Additional strikes during recent years have raised production to about 100,000 barrels a day from 1,650 wells—a record matched by only one other field in the State.

Big Donation From Shipyard To War Chest

Contribution of \$10,000 to Marin War Chest was made last Thursday by Marinship Corporation, setting a fast pace for the county-wide unified drive which began Monday.

Presentation of the money was made to T. F. Bagshaw, Marin War Chest drive chairman, by R. W. Adams, Marinship employee relations manager, in the name of W. E. Waste, general manager of the Sausalito shipyard.

The gift was in the form of 23 checks, made out to each of the 23 district chairmen in the forthcoming drive. The \$10,000 was allocated to each district in proportion with the distribution of the \$106,690 county-wide quota among the communities. Result of the single gift was to provide at least 10 per cent of the quota of every district in Marin county.

"Marinship is truly a county-wide institution, not limited to any single community. Men and women of Marinship live in every part of Marin, and take an active interest in their home communities. That is why we have divided our contribution among all the districts of the county," Waste declared.

Firemen of Mill Valley Celebrate 50th Anniversary

A special invitation to Marin City people to attend Mill Valley's Golden Jubilee Celebration was issued this week by its sponsors, Volunteer Firemen of Mill Valley.

Main event of the celebration is a big carnival which runs from October 17 to 22, from 7 p.m. to midnight, at Mill Valley, near the high school.

The Jubilee celebrates the 50th anniversary of Mill Valley's Volunteer Fireman. It has been an annual function in the neighborhood.

Busy Week For New Councilman And Grandfather

A. H. Fowler received two new impressive titles last week—one, grandfather; and the other, councilman.

On Saturday he was informed of the birth of a daughter to his daughter, Mrs. A. C. Anderson of Los Gatos. His first-time grandchild is named Janet Kay, and entered the world at eight pounds, 10 ounces.

Sunday, he was named Marin City councilman to fill the position left vacant by the resignation of John Batchan.

He will take office at the next council meeting, October 22.

If You Eat Eggs You'll Want to Know These Facts

Do you know that the eggs you eat for breakfast and use in your cooking have been graded and standardized for quality under State marketing laws of the Agricultural Code?

California agriculture, over its period of development, learned through experience that uncontrolled standards for their products lead to chaos and great economic losses by glutting the market with inferior grades and often a farmer unwittingly competed against his own products by trying to sell in quantity instead of quality.

With the aim of raising quality standards and insuring the buying public that farm products are sold on grade and quality basis, and to improve their local and interstate trade, farm commodity groups have had standards for their products established by legislation and the enforcement carried out by the agricultural commissioners, under supervision of the State Department of Agriculture.

Eggs are a perishable product and will not keep well over a period unless placed in cold storage.

EGG GRADES

When buying a carton of eggs marked "Large Grade AA", you must presume these eggs are of high quality, fresh, sound and the best the trade can supply. This does not imply that edible grades below the "AA" grade are not good. They are, and sometimes would even meet the requirements of "AA's" but for certain physical conditions beyond the control of the packer can not be marked as such due to time limit, etc.

The public should be more familiar with the marketing laws and realize that there is always a recourse when inferior grade eggs or farm produce is sold them. For that reason there will be given a general outline of the egg standards.

Table grade eggs are the "Specials" or "Grade AA", "Grade A" and "Grade B"; size designations are "Large", "Medium" and "Small" and all containers of eggs offered for sale must bear the size and quality designations. Eggs marked "Dirties" implies only that the shells have not been "sanded" or cleaned and does not affect the internal quality of the egg.

"GRADE A"

"Grade B" eggs are a popular grade for the trade as they are of good quality but due to thin shells and other factors they are not recommended for storage and, at reduced rates, are offered to the public which causes a quick "turnover" and overcomes the possibility of deterioration.

No eggs below "Grade A" can be designated as fresh by the "seller", in the legal designation of a fresh egg, however, often eggs below that grade may be actually fresh or as good in quality as a "Grade A"; other grades are designated but are only for processing and manufacturing purposes and can not be sold at retail.

The consumer should see that in size designation, large eggs should weigh 23½ ounces per dozen; medium, 20 ounces; and small, 16 ounces.

The poultry industry and egg production is one of the major agricultural industries of California and Marin County. Marin produced 32,179 cases of eggs during 1943, and sold live and dressed poultry which brought a total income of \$517,656 to the county in that field alone.

Furlough Rations Increased by OPA

Adjusting to meet the new requirements for ration points in the multiples of three, the OPA announced that week that servicemen on leave or furlough for 72 hours or longer now may obtain 10 points for each nine meals instead of the former eight.

One new garbage truck, from FPHA, came to the maintenance department this week.

isson, regional director of U. S. Public Health, and Mrs. Mary Tranter, president of the Marin County Nurses Association.

Attending the luncheon at the Sea Spray Inn in Sausalito were the guests of honor, and Mrs. Catherine Kenney, supervisor of the Infirmary; Mrs. Ilona Bellak, supervisor of the Medical Center; and Nurses Enid Brubaker, Francis Bodden, Marie Bogue, Beatrice Olson, Della Reeves and Ethel Watts.

Duck Hunting

Forsaking the hunting of Japs for a time, Bos'n Bill Sewell, U. S. N., joined Johnny Olsen of Black Point for some duck hunt-

Champagne Sends 'Caney' Into the Bay

The 16,500-ton Navy auxiliary oiler USS Caney was launched at Marinship last Sunday when Mrs. John L. Simpson of New York broke a bottle of champagne across its bow just as the 523-foot ship glided into the water of San Francisco Bay.

The 59th Marinship tanker was launched 73 days after keel laying, with all heavy machinery aboard and only final details to be completed at the outfitting dock to make the ship one of the finest fighting tankers afloat. It is the fifth

of six such 10,000-horsepower Navy oilers being built at Marinship in addition to merchant tankers.

Matron of honor was Mrs. Allan Sproul, wife of the president of the New York Federal Reserve Bank.

The ship is named for the Caney River, which rises in Kansas and flows into the Arkansas River in Oklahoma.

Among those present were a large number of Marin County Boy Scouts who were invited to bring their parents as special guests. A group of Eagle Scouts, under the direction of Scout Executive Harris Ricksecker, raised the flag.

ODT is again urging truck owners to keep their trucks in repair.

TO OUR MARIN CITY FRIENDS

SAUSALITO enjoys your patronage and desires to take this opportunity of expressing our appreciation for your business.

Fully realizing you are away from your homes, we hope you will continue to look upon Sausalito as your own "main street". Our merchants extend compliments for your great endeavors in the war effort.

You are doing an excellent job under trying conditions. Keep up the good work and enjoy the same consideration we take pleasure in giving our local residents.

Mr. and Mrs. John Campbell left Sunday for Sacramento, where they will spend a week's vacation with friends and relatives.

Mrs. L. C. Wilson, Mrs. R. Parkin and Mrs. R. Cornell took a group of children on a picnic trip Sunday.

Mr. and Mrs. F. H. Eddy were in Petaluma Tuesday.

Mrs. Chester Smith of Los Angeles was an overnight guest at the home of Mr. and Mrs. B. C. Bloomquist.

David W. Hamm, pharmacist mate 2C, is spending his 21-day furlough at the home of his wife's parents, Mr. and Mrs. J. W. Greenwood of House 367. He will be stationed at Shoemaker, Calif., when his leave terminates.

Seen enjoying the Grape Festival at the Kent Estate last Saturday were Miss Olga Philipson, Miss Esther Lielgren, Mrs. Robert Cooper and son, Ronnie, Mrs. J. R. Kahrt, Mrs. Walter Makaroff and three daughters, Jeanette, Marlyn, and Nicole; Mrs. B. C. Bloomquist and Mrs. George Galbraith.

Harold Spink, seaman 2C, with his wife and son, visited the Raymond Sweets this week. The Spinks were former residents of Marin City. Mrs. Spink and son are living in Los Angeles, and were here to see Harold, who is stationed at Treasure Island.

Malcolm Pendley, former Marin City resident now in the Army Air Force, is stationed at Hamilton Field and was in town last week visiting old friends. He was recently transferred here from Salt Lake City. His wife is making her home in Denver with her mother for the duration.

Recent visitor to Marin City was Pvt. Jay Lewey of the U.

S. Army, who was here to see his sister, Mrs. Phillip Strombom. He was on his way to a camp in Mississippi.

Richard Hutchason, seaman 1C, is on a 15-day furlough and here to visit his parents, Mr. and Mrs. Joe Hutchason. Richard returned from 18 months duty in the South Pacific.

Pvt. Virginia Lindburg of the Marine Corps Women's Reserve and Edward Lindburg, seaman 1C, service daughter and son of Mr. and Mrs. Verne Lindburg, were both on furlough and visiting at home last week. Virginia is working as a personnel clerk at the San Diego Marine Corps base. Edward has just completed his training at Farragut, Idaho, and left on Wednesday for his next assignment.

Mrs. Mary Meyers received a letter this week from her son, Pvt. Otis B. Meyers of the A.A.F., now stationed in New Guinea.

"Sonny", young son of the J. Erbys, thrilled his parents last Monday when he took his first steps.

Young Carl Sticher, who had to have an operation on his arm before a cast could be set, is now at home and making a splendid recovery.

Little Donna Belle Green is sporting three stitches and two bandages as result of a scooter accident last week. The mishap occurred when Donna jammed on the scooter's brakes. The scooter stopped, but Donna did not.

Harley Clarke, seaman 2C and the son of William H. Clarke of Marin City, was home on leave last Sunday. Also here was another Navy son, William Clarke.

Girl Scouts Help

Marin City Girl Scouts who assisted with collections of pies and cakes for the local booth at the Grape Festival were Jeanette Makaroff, Mary Anthony, and Beverly Rolland.

Ladies' Booth Raises \$87 at Grape Festival

The Marin City pie and cake booth at the Grape Festival raised \$87.40 for the county charity last Saturday. The booth was sponsored by ladies of the Women's Church Auxiliary and Volunteers in Community Service.

Receiving thanks for help in the event were Dan Allen, who transported the pastries to the Kent Estate; Carl Edenfeldt, proprietor of the Marin City and Dormitories Cafeterias, who donated two beautifully decorated cakes; and Merritt Webster of the housing authority who contributed the station wagon to transport the pies and cakes.

Women who worked to make the booth such a financial success include Mesdames Harrison Abbott, M. R. Caughill, Vern Lindburg, Dale Dinsmore, D. Pense, Mary Meyers, Daniel Allen, M. Trimbucks, William Kuperus, R.E. Robertson, Arthur Hart, Jess Draper, Helen Sullivan, Del Preston, Paul Behrendt, Marie Larson, Earl James, Philip Strombom, Milton Percy, Chloie Moore, A. J. Strombom, Alice Lombardi, M. G. Rolland, J. Ryan, D. Green and Vern Olson.

Special thanks were also given to R. E. Robertson who volunteered his time and talent to make the large "Marin City" sign which identified the booth.

Co-chairmen of the event were Mrs. W. C. Billingsley and Mrs. Walter Del Tredici.

Local History Made By This Year's Festival

Record breaking sales and attendance for last Saturday's Grape Festival were reported this week by Mrs. Jerome Talant, director.

A total of \$12,000 was collected during the day, with seven to eight thousand people attending the annual event to benefit the Sunny Hills home.

Club Founder's Day Party Presented Year's Review

By EMMA LOU KAHRT and VIOLET LEANDER.

Well over a hundred attended the Founder's Day Party of the Marin City Women's Club on their second anniversary held Wednesday, October 4th, in the lounge of the Community Building. Many out-of-town friends were present, among whom were Mrs. George Hinninkamp and Mrs. Harmon Smith. Mrs. Delos Watson, also a former member of the club and now residing in Mill Valley, was present. Mrs. Julius Alsberg, whom many will remember for her fine work in the club and help to the Red Cross Canteen, was unable to attend.

There was a large representation from Sausalito including Mrs. Irvine Low who is chairman of the Sausalito Red Cross Canteen, Mrs. Arthur Pierson, State safety chairman for the Federation of Women's Clubs; Mrs. Caroline McKinnon, writer; Mrs. W. C. Drechsler, Mrs. Frederick Ryan, Mrs. Arthur Stratton and Mrs. Natalie Bunce. Other guests from Marin City were Mesdames Harry Pense, Estel Combs, B. W. Pense, L. J. Roser, Myrtle Eckman, C. O. Gilliland, Orval Walls, Katherine Walls, Henry Johnson, Olga Phillipson, Antoinette Russell, Maud Beardsley, Elmer Christiansen, Bernice Roland, Bernice Bingham,

C. M. Ross, Rosalind Ross and Marion Kramer. Mrs. Konrad Knudsen, a native of Waldo, was also a guest.

The evening's program opened with an address of welcome by the president of the club, Mrs. Ben Bloomquist. Mrs. Ray Hobson then read the Club Women's Prayer. Mrs. R. W. Cooper led the audience in singing "God Bless America." Mrs. Bloomquist then introduced the following new members: Mesdames Dufault, Taubman, Nelson, DeLaney, Bishop, Marshall, Andring, Swanson, Norgren, Flynn, Davis, Sampson, and Spriggs.

These new members will be initiated into the club at the November meeting. The next number was the introduction of guests by Mrs. George Galbraith. Mrs. F. C. Leander then

The Week at Your Marin County Theatres

SONNY TUFTS is a fugitive from the social register. A blue-blooded rebel. A Boston Back Bay backslider. He has loused up family tradition from childhood. This strange admixture of social breeding, good education, revolutionary spirit, utter frankness and self-belittling makes him the most colorful personality Hollywood has seen in many a moon.

Sonny tells me his family is in such a rut it hasn't moved out of a radius of three square miles in 300 years. A forebear of his founded Tufts college—must have had a guilty conscience, says Sonny. His family for generations were Harvard men. When Sonny broke away and went to Yale his mother wired him, "Yale may be for some people, but not for us."

His first year in the movies was amazing. A year after he had ambled through a Hollywood studio gate looking for a chance to do anything at all in a movie he was an official star teamed with Paulette Goddard in "I Love a Soldier."

He recently topped the 10 players elected for stardom by the nation's exhibitors in the Motion Picture Herald's annual "stars of tomorrow" poll.

Vital Statistics

The six-foot-four, 200-pound blonde was born in Boston 29 years ago last July 16 and was christened Bowen Charleton Tufts III. He's never been called anything but Sonny.

His family expected him to train for business and finance, his father being a famous banker. But Sonny, at 8, saw **Eddie Cantor**, and asked his dad, "Would you care if I became an actor?" Wise Tufts Sr. replied, "Not if you're a good one."

He went to the exclusive Philips-Exeter, where he majored in Greek (honestly), rowed on the crew, was cheer leader during the football season, and organized a band. His band made money, but Sonny was inclined to cockiness, and when he let a summer hotel engagement slip out of his mitts because he was too sure he had it, his father decided he needed a practical lesson. Sonny was sent to Plymouth as a house-to-house seller of refrigerators. He surprised every one, including himself, by winning the district sales contest—and a silver cup.

At Yale he was a legend. He started out by spending two years in the freshman class. He majored (hold your hats!) in anthropology, and even today talks glibly about races and reads heavy tomes on the subject.

A Fling at Opera

The summer before his senior year he heard **Tito Schipa** sing. He decided he, too, would be a great opera star.

The big lunk worked his way to Paris on a freighter and spent six months studying there and 18 months locked in a room back in New York learning opera scores. He was given an audition at the Met, but found out how little his starting salary would be, so leaped into a Broadway musical, "Who's Who." He was barely in it—slightly more in "Sing For Your Supper." So he turned to singing his own material at swanky hotel spots in New York and Palm Beach.

Hammered His Way In

Joe Egli, Paramount director, gave Sonny an audition, then a test. Sonny picked something from a batch of test scripts, choosing one he thought he could make funny. Long

after this howling test had won him a contract he discovered he had clowned **Charles Boyer's** most tender love scene from "Love Affair." A week after the contract was inked **Mark Sandrich** saw the test, gave him another with **Paulette Goddard**, then the role opposite her in "So Proudly We Hail." That made the big bloke, and he went into "Government Girl," "I Love a Soldier," "Bring On the Girls," and then "Here Comes the WAVES," with **Bing Crosby** and **Betty Hutton**.

Sonny makes friends easily, quickly. He's colorful every inch of his frame and it would take more than a story like this to outline all of his adventures. But the best story he told me was about the four WAVES he gave a farewell party to before they took off for duty. He wanted to bring in a couple of his pals, but the WAVES said, "What, and spoil our fun? We want Tufts!" They made it their theme song.

Climbing Too Fast

Frank Sinatra walked off the set of "Anchors Aweigh" when he couldn't see his rushes, sulked awhile, then came back apologized to everybody and went on shooting. **Joe Pasternak** tells me Frank's the kindest hearted guy in the world, but the most confused. He's being driven crazy by requests from all over, from benefits, hospitals, camps, etc. He needs to learn self discipline. Well, Frank's young, and even older people can't learn that overnight.

MJC Offers Home Planners' Institute, Starting Monday

The first meeting of the Marin County Home Planners' Institute will open at Tamalpais Center, Kentfield, next Monday, October 16.

Two well-known Bay Area architects, Alfred Williams of San Francisco and Carl Gromme of San Rafael, will speak. William's topic will be "Why Plan Now?" Gromme will give an illustrated lecture on "Contemporary Homes."

The Institute is a free service being offered to all who are interested in home construction, by the adult division of Marin Junior College and 57 Marin County co-sponsors — business, banking, mercantile, and construction firms.

The Monday night class will open at 8 p.m. The course will run for a period of 10 weeks.

Williams is president of the San Francisco Society of Architecture. He is especially well qualified to speak on residential building.

He also has written for a number of architectural magazines. His latest article is published in the current issue of Architects and Engineers and is titled "In Support of Post War Planning—Now."

Gromme is a graduate of the University of Pennsylvania School of Architecture and has been a practicing architect in Marin County for 11 years.

During that time he has designed and constructed a number of residential buildings in this area.

Gromme is the architect who was in charge of the Marin City housing project.

Those desiring further information on the course are invited to call Marin Junior College at San Anselmo, 5600, or register by mailing a post card, or by procuring special registration cards from Miss Ethel Johnson at Building 401.

Harold A. Gregg, just returned from a White House conference on Rural Education, is coordinator of the series.

Pre-Natal Class Awards Diplomas To 12 Graduates

Twelve women received certificates for completing the Red Cross sponsored Pre-Natal classes held in Marin City for the past two months.

According to a report released this week by Instructor Elizabeth Sargent, nine of the enrolled women were wives of servicemen, nine were wives of shipyard workers and one the wife of a business man.

Five of the women who enrolled for the course did not complete the classes. Two of the women terminated instruction when the stork arrived half way through the course term. One moved away, and three began too late to attend the required number of hours.

Hard work is the easiest bridge to cross over to success.

Xmas Gift Plan Made By Red Cross

Organizations throughout the county, as well as individuals are invited to participate in a plan to bring Christmas to patients in nearby military hospitals, officials of Marin County Red Cross Camp and Hospital Committee announced today.

"There are several ways in which groups and individuals may help," states Mrs. Ernest Smith, county chairman for Red Cross Camp and Hospital Committee, "our plans, which have been approved by the military state that groups or individuals may either prepare gift packages, under supervision of a Red Cross worker, or donate quantity lots of material which can be used for the packages, such as cards and cigarettes. Because of the fact in previous Christmases, undesirable articles, such as razor blades and knives and used and often useless articles were sent as gifts, the Army has requested the Red Cross to act as their agent in supervising the packing and wrapping of these gifts. Packages not wrapped under Red Cross supervision will be opened and re-wrapped. Those wishing to assist in any other manner are asked to contact Mrs. Ralph Palmer, Ross, S. A. 2081.

"Suggested articles for packages include cigarettes, washcloths, pencils, small note books, new playing cards, combs, writing paper, envelopes, sewing kit, oil-skin pouch, fragrant soap, small clothes brush, GI socks, size 11. GI ties, wallets, folding photograph holder or frame, identification folders, hair pomade.

Collection center for completed packages and gross lots of articles will be Red Cross headquarters, 712 Fifth St., San Rafael. In the case of unusually large quantities, arrangements may be made to have the Red Cross motor corps call for them.

D'Ettels Leaving

The Arthur D'Ettels, residents in Marin City since the early days of the project, are moving Sunday to San Francisco, where they are buying a new home.

D'Ettel was councilman from District C last year. They have three small girls: Baby Lillian, Patty and Joy.

Teener Topics

Edited by
BOB GREENWOOD
Newsy Notes

The Marin City Teeners Council will hold their elections this Wednesday, Thursday and Friday evenings at The 399 Club.

All Teeners, who have paid their dues, are urged to come and take part in this democratic form of government.

Many teeners were surprised and disappointed when they were not allowed in the Teeners Club Monday and Tuesday, due to a new system being enforced. This system provides that one must have a Teeners Card with dues paid up, in full, in order to be admitted. This means all teeners!

The attendance has been much better lately at the Teener Club. Come on, kids, let's keep it up!

Konrad Knudson's football team has won its second straight game. Last Sunday they defeated Mill Valley 30-6. Konrad made all the touchdowns for Marin City. Give Konrad a hand!

Do you like the Teener Club? Do you like the Teener dances? Why don't you pay your dues to Alice James? They are a bit over-due.

Mrs. James has requested that it be made clear that spitting on the floor is not allowed.

The following contributed to this column: Eleanor Campbell, Glenn Bishop, Nancy Larsen, and last but not least, Margaret Young. We would like to thank the above mentioned people for the help given.

Any teener who has any news, joke, gossip, newsy notes, etc., will kindly leave same with "Sully" (the librarian), or the hostess at the Teeners Club.

We notice the lineup of women at the gym when all those virile chests are displayed. (For the benefit of those who don't understand, virile means manly.)

Myrna Williams was surely well protected, what with an escort of seven boys.

Little Birdie Says

Clara Stackhouse seems to enjoy the Thursday night show with "Whitey". How's it coming, Clara?

Peggy Faubel seems to like ping-pong an awful lot. Espe-

cially on Monday night.

How come the patch on Madelyn Walker's head? Whatsa matter, Madelyn, run into a door?

Personalities

Each week we will introduce a local teener to you; tell you something about their past, their dislikes and what not. The first in this series is to be Alice James, teener treasurer.

It was on the dreary night of January 3, 1925 that a (small?) bundle from heaven descended upon the James household of North Mankato, Minn. Her family later moved to Willmar, Minn., where she attended both grammar and high school. She taught swimming classes, which she still does in summer for Defense Recreation. She was treasurer of orchestra and band for three years. She was business manager of the annual. She was badminton champion for three years. She went to the World's Fair, playing in the band and most of all, she was class valedictorian.

When Alice first arrived in California (Marin City) she was a very shy, modest individual; however, living in Marin City as long as she has, she has changed.

She first became interested in The Teener Organization when she met Jo and Bud Palurer. She held the post with a great deal of responsibility and was soon on the Council and shortly became Teener Treasurer. This post she held with a great deal of responsibility and ability. This last summer she worked 12 hours a day on Defense Recreation. Now, however, she is attending Marin Junior College, where she is trying for a degree. She will be 20 next January and, therefore, she is not running for Council this time. The Teeners, all, will miss Alice's familiar face around the club. However, we can't stop Father Time.

Council Highlights

After the meeting last Tuesday was called to order by Teener Mayor, Willie Rombke, the main speaker was introduced, Mrs. Ernie Smith of the Red Cross. She gave a talk on the needs of the Red Cross Field Extension Service. However, since there was not a quorum, nothing could be acted upon. Without further ado the meeting was adjourned.

There is a dire need for helpers in editing this column. If interested, come to building 401 on this coming Tuesday night, at 7:30 o'clock.

Crazy Capers

A PUZZLING REPLY

Hostess—"It looks like a storm; you had better stay for dinner."

Caller—"Oh, thanks, but I don't think it's bad enough for that."

BOTH BLAMED

John—"Was his bankruptcy due to a lack of brains?"

Joe—"Yes, a lack and a lass."

THE TRUTH, FOR ONCE

Fisherman—"I tell you it was that long. I never saw such a fish."

Fried—"I believe you."

VAUDEVILLE GAGS

"Is your dentist a careful dentist?"

"Sure. He filled my teeth with great pains."

"My brother has just had his appendix removed."

"I didn't think he had it in him."

"Mrs. Chatter is getting a double chin."

"To much work for one, I suppose."

"Do you know that married men live longer than single ones?"

"You are mistaken; it only seems longer."

DON'T BRING ME POSIES

"Why did Ikey invite only married people to his wedding?"

"Well, in that way he figured that all the presents would be clear profit."

Net Depot Calls For More Workers

Homes and transportation, as well as \$1.14 per hour are being offered to men who wish to be trained in the manufacture of nets for the Pacific Fleet at the Naval Net Depot and Training Center, at Tiburon.

The nets are of major importance as the U. S. lines advance, and ships and harbors must be protected.

The Mill Valley carnival and celebration will benefit the Volunteer Firemen's sick and relief fund.

San Rafael Fiesta This Week Includes Parade, Dancing

The crowning of Miss Audre Burbeck, of Mill Valley, as reigning "Senorita" of the Old San Rafael Days Fiesta, will be the opening event of the four-day celebration which begins tonight at the San Rafael USO Clubhouse and will close Sunday, October 15, with a parade, horse show, dancing and the famed Spanish Market.

Tomorrow (Friday) there will be a street dance for the public in San Rafael with the Spanish Market at Bianco's Garage opening. For the evening, Marinita Parlor, Native Daughters of the Golden West, sponsors of the Fiesta, have obtained a special band.

Saturday will see the center of activity at the Spanish Market, located near the corner of Fourth and "E" Streets, with booths of all types displaying wares and a special new addition featuring a display of farm products of Marin.

On Sunday, in addition to the parade which will include marching units from all sections of Marin as well as the local

MISS AUDRE BURBECK
Fiesta Senorita.

Coast Guard Flotilla, accompanied by a regular Coast Guard band and the Spanish Market, there will be a horse show and gymkhana at Albert Field. In the evening the parade prizes and other awards for the day will be presented at the Spanish Market with the Grady Perpetual Trophy again among the high honors.

The horse show, which is strictly for amateurs, will include 12 events, and will feature the outstanding horsemen and women of the county. Arena director is Joe Barnes, while Eleanor Fritz is chairman in charge.

General chairman for the Fiesta this year is Mrs. W. M. Brice, who is assisted by Mrs. F. Kelly, Mrs. W. Mazza, Mrs. S. Piani, Mrs. E. Tyrell, Mrs. J. Fowler, Mrs. H. Johnson, Mrs. W. Ogbourn, Mrs. J. Shaffer, Miss V. Borba and Mrs. S. Zappatini.

Marin City dancers can enter the jitterbug contest at the Community House dance this Sunday night.

Fund to Aid Marin Cripples

Favorable opinions which foretold possible passage on October 23, were expressed Monday by members of the Board of Supervisors in discussing the possibilities of setting up a \$5000 revolving fund for the benefit of crippled children of Marin County.

Mrs. E. A. Wells, president of the Marin Society for Crippled Children, appeared before the Board Monday and asked that the Supervisors appropriate \$4,000 toward a \$5,000 fund which will make possible a clinic and further treatment of Marin children. The remaining \$1,000 will be donated by the Marin Society.

Explaining the financial arrangement of the revolving fund, Mrs. Wells stated that in the past here in Marin and throughout the United States, it had been found that money used for operations upon the children was usually paid back with the exception of 20 per cent. This amount will be the sum contributed by the Crippled Society.

If the sum were to be set up by the county, explained Mrs. Wells, the State would appropriate aid through the form of staff and possibly clinic equipment. The final product would be adequate care for the young cripples of the county.

After considerable discussion a complete report upon the matter was presented to the Board members who set the matter aside pending further investigation and agreed to make a final decision on October 23.

Danes Free Compatriots

CITIZENS OF THE DANISH city of Odense rush to stop a prison van loaded with local compatriots arrested by the Germans. Before German reinforcements could be rushed in, the people were able to overturn the truck and free the patriots for more of the resistance and sabotage which has been steadily plaguing the German invader in Denmark.

Dr. Lewis Tells Story Of Jap Prison

Members of Marin Council Parent Teachers heard the story of the Japanese invasion of China and following days of prison camps for Americans and other enemies of the invaders from Dr. Ralph Lewis, of Point Reyes Station, who spoke last week at the regular monthly meeting of the PTA held at the San Rafael Methodist Church.

Presiding at the gathering, which opened with a morning session devoted to a discussion of the propositions which will appear upon the ballot November 7, was Mrs. Frederick Farr, president. During the session it was decided that the group go on record as favoring passage of Nos. 3 and 9 and disapproval of No. 11.

Dr. Lewis described portions of his experience in China beginning in 1933, and painted a

clear picture of the happenings since the declaration of war, at the exchange ship, Gripsholm, which time he was serving with at the oriental port, where the a large hospital in Northern Americans were waiting to China. In September of 1943, board. There were approximately 1500 Japs being brought first by crowded Jap ship and home, and a large number of finally to the Gripsholm, where the younger ones were singing luxuries not experienced for "God Bless America" at the top years were found by the group. of their lungs.

WARNING!

PROPOSITION No. 12 WILL

- Deny the present right to work to more than 500,000 California workers.
- Create unemployment and strife throughout the State.
- Destroy fair wage and living standards.
- Force fair employers to compete with cheap, cut-throat competition.
- Increase unsanitary conditions and the spread of disease.

They Say . . .

Marin County's Senator Thomas F. Keating:

"Proposition No. 12 is against the public interest and should be defeated at the polls on November 7."

San Francisco's Mayor Roger Lapham:

"I am certain that the passage of Proposition No. 12 will lead inevitably to labor disputes resulting in loss of man hours in war industries and will adversely affect the war efforts of our City and State."

San Diego's Bishop Charles F. Buddy:

"Proposition No. 12 would be a constant menace to public peace by fomenting strikes and disorder."

read the club's history which follows. This is a chronological review of the club's accomplishments for the past two years:

CLUB HISTORY

"On October 7, 1942, a group of Marin City women interested in a cooperative nursery school and mother's club gathered in Apt. B-4 for their first meeting. Two weeks later it was decided to organize the Marin City Women's Club and officers and directors were elected for a three month period. This group plunged into work and soon wrote the club's by-laws. A party for November 28 was planned and the proceeds, which amounted to \$155, were to be used for child welfare. This Harvest Frolic was the first social event in Marin City. At the general meeting on December 2, 1942, permanent officers and directors were elected. Of the original board of fifteen, six are still active in the club.

"Plans were then made for a Christmas party and New Year Eve dance. These were highly successful affairs and much credit goes to these early pioneer women. A hospitality committee was then formed and a house to house canvass made by this committee. These women walked through mud, rain and fog to acquaint the people of Marin City with classes in First Aid, Nutrition, Home Nursing and Marin Junior College classes of all kinds. The next big event was the President's Birthday Ball. The entire proceeds which amounted to \$322.94 were turned over to the National Foundation for Infantile Paralysis. The first Infantile Paralysis. The first Pot Luck Supper was held on Sunday, February 21, and it was the first of its kind to be held in our Community Building. In March the women of the club and their friends made a door to door canvass for the Red Cross War Fund Drive.

"In April, Easter Seals were sold for the benefit of the Crippled Children's Society. Tickets for the Marin Musical Chest were also sold in April. In May the Cookie Brigade was organized. The total number of cookies made to date is 13,337. The baking committee is made up of volunteers who bake once a month. This is one of the most popular projects of the club. These cookies have all been sent to the service men at Fort Cronkhite. In June a Bingo Party was held to raise money for the Blood Bank. This party netted \$62 for this cause. An outright donation of \$100 had been previously made to the Red Cross. In August the city's first Rummage Sale was held by the Women's Club. From the proceeds of this sale, \$63 was given to the local USO and a party given Cub Pack 32 for their assistance. Miss Oma Perry's art exhibit was held in September and refreshments were served both afternoon and evening.

'43 BIRTHDAY BALL

"The club also took part in the Marin City Birthday Party in September; \$25 was the club's contribution to the Sunnyside Orphanage as a result of its pie booth at the Grape Festival in October. Refreshments were served at a Christmas Party at the Service men's Club in Sausalito. The Women's Club also assisted with the packaging and distribution of candy at Marin City's Children's Christmas Party. A President's Birthday Ball was given by the City Council in January, 1944, and the club assisted with this. February marked the beginning of organized Red Cross sewing and knitting. Up to date, we have completed several hundred Army and Navy convalescent bags, 60 Army utility aprons, 20 sweaters and approximately 30 miscellaneous garments.

"Many women give regularly of their time to bandage work at the Sausalito unit. In March a party was given for Cub Pack 32. In June the club assisted the PTA with serving refreshments for the first Eighth Grade graduation in Marin City. In July we assisted in the publicity for the P. G. & E. canning lecture. A donation of \$10 has been made to the Grape Festival for this year. Many women assisted in the selling of the Marinship Pictorial Record to aid the new Marin City Church. Our present project is the sewing of aprons for an apron sale to be held some time before Christmas. During these two years there has been quite a turnover in the personnel of the membership due to some members taking war jobs and other moving from Marin City. There has been a constant change on the Executive Board

and many women have contributed to the activities of the club. With 18 new members in the past two months, we are very much encouraged as to the future of our club. We feel we have accomplished a great deal for the good of Marin City and we wish to continue our efforts for the duration."

MUSICAL PROGRAM

A musical program, planned by Mrs. J. R. Kahrt then followed.

1. Marin City Hawaiian Guitar Ensemble—Charles K. Ramsden and Morris E. Burch, directors and instructors.
1. Waltz of the Islands.
2. Anchors Aweigh
3. Marine Hymn.
4. When It's Flower Time in Hawaii.

The following is a partial membership of this ensemble: Miss Buck, Miss Rosier, Robert Gruenwald, Jackie Spleen, Larry Moore, Jeanine Wilson, Miss Walls, Janice Carley, Vernon Chaon, Robert Abbott, Frieda Abbot, Frieda Young, Rudy Seiker, Raymond Sieker, Rose Marie Ekman, Dorothy Keele, Joane Leach, Donna Leach, Dean Pense, Lila Pense, Joanne Moen, Betty Combs, Mrs. H. McGuire, Nadine Owens, Dolores O'Neil, Beverly O'Neil, Mrs. Aune, Donna Lou Eubanks, Stella Montoya, James Gilliland, Leland Stohr, Gerald Scott and Mona Christiansen.

II. Marin City Ballet Group—Ruby Asquith of the San Francisco Opera Ballet, director.

1. Pizzicato Polka — Johann Strauss.
2. Trepak—Peter I. Tschai-kowsky.

Members of the Ballet group: Mildred Ann Russell, Barbara Kelsheimer, Janette Makaroff, Donna Belle Green, Mary Ann

Ryan, Mariel Biddick, Gloria Gardiner, Norma Ross, Pauline Combs, Thelma Pense, Marilyn Makaroff and Billie Jean Chap-pell.

III. Vocal Solo—Mrs. Charles Hensen.

1. Little Mother of Mine — T. Burleigh.
2. Ah! Sweet Mystery of Life — Victor Herbert.

After this most enjoyable program, everyone was invited to share in the lovely refreshments. Mrs. R. W. Cooper was chairman for the refreshments and Mrs. E. B. Mathews was in charge of the flowers and decorations.

Pot Luck Party Is Celebration of James' Birthday

The community pot-luck supper last Sunday was enlivened by a birthday cake for Councilman Earl James, baked by Mrs. Dan Allen.

The regular bi-monthly get-together is sponsored in Marin City by the Volunteers in Community Service, with everyone in town invited.

About 120 families are being interviewed this week by the housing authority, regarding their eligibility for housing here.

Canal Survey 'At Once' by Government

A slight mistake in the records and an oversight brought on by the stress of additional work brought on by the war, was clarified this week at an informal hearing of the War Department regarding dredging and survey of San Rafael Canal. The result is that the canal will be dredged and surveyed immediately.

Fred Cairns, secretary of the San Rafael Chamber of Commerce, appeared on Wednesday morning before J. S. McDougall, acting chief of the Civil Works Division of the Army Engineers, and requested that something be done about the condition of San Rafael Canal.

A check of the files regarding the canal were ordered at the hearing and within a few moments it was discovered that due to an oversight there had been no survey since 1942.

On the grounds that San Rafael had been "a little over-looked" an immediate survey was ordered for the Canal, and if it is found it is necessary, the dredging will be gotten under way on completion of the survey.

Housing Report Evasive

We hope it is not so but it now looks as though the possibility of getting any worthwhile improvements for Marin City as a result of our City Council's negotiation with housing officials has fallen flat.

Readers of The Citizen will recall that following the rent raise in some of the apartments a meeting was held at which time representatives of the regional office of the Federal Public Housing Authority and Marin City residents met to discuss the meaning of the rent increase.

At that time it was agreed that since the housing officials would not restore the rent to its original level they would increase services to a point where the raise would be justified. The officials agreed to report the extent of specific improvements within two weeks.

A month has now elapsed and the only progress so far is in the form of a letter to the council stating in almost meaningless generalities that certain steps are being taken.

We hope that the Marin City Council does not let the matter drop until it gets a definite "yes" or "no" answer. People here are a little weary of needless evasions.

Bigger and Better Our Favorite Nurse Turns Up Again With a New Idea

By NURSE CHICK

We've been so busy making changes to improve our service at the Medical Center that I haven't been writing to you lately. Been kind of busy just seeing people, too. (I'll tell you about some of the most INTERESTING cases as soon as I can. We haven't had another bouncing tumor but we have had twins.)

Have you noticed how we are expanding and using more space for our doctor's offices? The Public Health Department has two offices now, too, at the opposite end of the building from where they were.

WINTER ILLS COMING

We're getting ready for that winter session when so many people need our care.

One of the most important things to tell you about today is the appointment system and how you can help to make it successful.

I talked to a friend of mine who is an office nurse for a prominent doctor in San Rafael. I asked her whether or not the doctor was able to see his patients at the appointed time. She said "by no means." When asked how long people had to wait, she said anywhere from 30 minutes to three hours.

WHY APPOINTMENTS

"Why then, have an appointment system at all?" I asked.

Her answer was that they gave appointments simply to keep everyone from coming at 2 o'clock.

It seems to me that we in this community should be able to do not only that well, but better—but everyone will have to help.

I'm going to tell you about the things I think will help, and then as we go along, anyone who has a suggestion please drop a note to the Medical Committee, The Marin Citizen, or the Medical Center.

THE BEST TIMES

Appointments are now available from 9 a.m. until 6:45 p.m. Housewives, children, swing workers and graveyard workers are urged to make their appointments between the hours of 9 a.m. and 4:30 p.m. The evening hours are reserved for day workers who will also be seen by appointment.

It is sometimes necessary to wait despite the fact that an appointment has been made, but as everyone learns to take advantage of the appointment system, everyone can be seen

within a reasonable length of time.

A doctor can treat only a certain number of patients in an hour, and it is only by every one making appointments that we can give better service and treat everyone who needs to be treated.

THE MONKEY WRENCH

Emergencies will always have priority. Emergencies will at times throw a monkey wrench into the best planned day. But everyone would rather have it that way, and know that if it were their loved ones, they'd be thankful for the quick service.

Please do not ask for the favor of being seen out of turn. We must remember that to each of us our own problem is of the most vital importance.

PULLING TOGETHER

Our Medical Center staff is always on the alert to bring the best possible service to our community. It is only by having the full cooperation from everyone that the high standards set by all of us in the community, the Medical Committee, and the Center staff that these standards can be maintained.

This is our own Marin City health plan. Let's all be together on it and make it a truly successful venture.

Ration Calendar

GASOLINE

A-13 coupons, good for three gallons each, valid to December 21. B-5, B-4, C-5 September 21. B-3, B-4, C-3 and C-4 valid for five gallons each.

SHOES

Airplane Stamps No. 1 and 2 in Book 3 valid indefinitely.

By MIKE SMITH

In his Oklahoma City speech, Tom Dewey said that cross his heart and hope to die he was not going to descend to the demagogic level of that "fellow in the White House."

These fine brave words elicited great applause from his admirers. They were spoken with feeling and apparent conviction.

But judging from his last speech one can only assume that the men who ghost-write his speeches not only forget what they had Dewey say, but didn't even bother to listen.

When he prates about the coming of Communism with the re-election of Roosevelt, he is appealing to the cheapest kind of prejudice by raising a false issue which has no place in this campaign.

After first putting his stamp of approval on all of the Social Security legislation which the present administration has inaugurated, after giving his blessings to the President's labor program, and most of the rest of the progressive legislation of the past decade; he is not fooling anyone but himself by destroying this communist "straw man" he has created.

When he speaks in such shocked tones of the tainted money which Sidney Hillman is spending in behalf of Roosevelt's candidacy, he should at least make some small mention of the fact that he gratefully accepted \$5000 from Hillman when he was running for D. A. in New York.

Labor has a perfect right to support any candidate it may choose. Then as now, Hillman felt he was acting in the best interests of good government, and for the working people he represents.

Telling half truths is the worst form of demagoguery. Until after November 7 the American people might well heed the wisdom of the ancient Chinese proverb, to-wit:

"Though your stomach may be strong, eat as few cockroaches as possible."

By DAN ALLEN

The most momentous election in American history — one to determine if one man shall occupy the presidency just twice as long as any other man in the 168 years of this nation's continued growth and prosperity as a free democracy — is just a few weeks away. And regardless of all other considerations, that is one of the most threatening situations the American people have had to face in all those years — perpetuation in office of one man and one line of political thought.

Continuance of the New Deal in power means only a continuance of the past policies that have failed — policies that promise only doles in peacetime years ahead.

Republican nominee Thomas E. Dewey is preaching a new doctrine to the people of America — faith in themselves and faith in the future of their country. The Republican program assures a free, prosperous

One Gift---Three Needs

Civilian Joe digs deep, gives generously ONCE for all three—OUR BOYS... OUR ALLIES... OUR OWN. One large gift covers 22 war front agencies and all the community home-front causes. Give to the War Chest October 9 through November 11, for USO, United Seamen's Service, and War Prisoners Aid.

3:30-5:00 p.m.—Children's Club, Building 398.
3:30-5:30 p.m.—Playground.

and expanding America WITH JOBS AND SECURITY ASSURED TO ALL.

If we simply build the homes the American people need in order to be decently housed, it will keep millions of men employed for years. By the end of this year, we will have an immediate need for 6,000,000 automobiles; we will need after the war 3,500,000 vacuum cleaners, 7,000,000 clocks, 23,000,000 radio sets, 5,000,000 refrigerators, 10,000,000 electric irons, 3,000,000 washing machines and millions of other household appliances. There are 600 different articles made of steel and iron which have not been manufactured since 1942. All this means production and production means jobs.

But that kind of production and that many jobs are beyond the experience and vision of

the New Deal.

The New Deal assumes that there are no new frontiers in this great country of ours. But the rest of us know that there are many—for those who have the "guts" to go out and look for them. (Especially if it does not take too many extra clerks to make out Government reports.)

Medical Center Hours
